Commissioner for Patents

Attached is an initialed copy of the PTO-1449 filed 19 November 2003. An initialed copy of said PTO-1449 mailed on 23 May 2006. However, in an apparent oversight by Examiner Sundararaman, the Japanese patent cited therein under Foreign Patent Documents was neither initialed nor lined-through by the examiner. Examiner Sundararaman is no longer employed at the USPTO. Therefore, the IDS attached hereto has been initialed by the examiner's former supervisor. Since the newly-initialed IDS is being issued merely to clarify the record, no supplemental notice of allowability is deemed necessary.
